- 3) What is the only signal allowed to be used by the assistant referee?

Rule Book, Rule 5

- 4) Explain all the differences between coach misconduct and coach unsportsmanlike conduct.
- 5) What is the new rule this 2018-2019 season for supporting points determining inbounds?
- 6) What are the 4 criteria for a near fall?
 - 1)
 - 2)
 - 3)
 - 4)
- 7) Explain the criteria and proper points awarded for an imminent near fall situation
- 8) What is the definition of a flagrant misconduct on a contestant?
- 9) When down on the mat, the usual points of support are?
 - 1)
 - 2)
 - 3)
 - 4)
 - 5)

- 10) The defensive starting position requires what?
- 11) Explain difference between “offensive starting” and “optional starting” position.
- 12) True or False? Prior to assuming the offensive starting position, the offensive wrestler may signal to the referee the neutral starting position?
- 13) True or False? The referee should always verbally speak to the wrestler against forcing a potentially dangerous hold into an illegal position?
- 14) Explain the difference between stalemate & stalling.
- 15) True or False? A takedown should be called when only 1 knee of the defensive wrestler touches the mat beyond reaction time?
- 16) Name the 5 types of Technical Violations
 - 1)
 - 2)
 - 3)
 - 4)
 - 5)
- 17) Explain the difference between injury, recovery and blood time?

Case Manual, Rule 3

- 18) The coach requests a conference because he has proof from a cell phone video that the referee made the wrong call. Is this allowed? What is procedure?

Case Manual, Rule 5

- 19) Near Fall – Can a near fall be scored when the offensive wrestler is out of bounds and the defensive wrestler has ½ his scapula out and ½ his scapula on the line?
- 20) Technical Fall – Wrestler A is winning 14-1 and takes down the opponent to a near fall criteria, thus has earned over 15 points. Do you stop the match and award a technical fall?
- 21) Reversals – Can a reversal ever be awarded to the defensive wrestler when the offensive wrestler keeps the cradle locked?
